

**MAD 3105 Assignment 00  
First Day Attendance Check**

**NAME: Tyler O. Moses**

This initial “Assignment 00” has three purposes. It is used to

- ☐ take the mandatory “first day” attendance
- ☐ make sure everyone has an opportunity to let the professor know about you
- ☐ make sure everyone knows how to submit an assignment on Canvas

Please let me know if you need any help.

See the Course Schedule/Calendar for the submission date.

**Directions:** Answer the following 4 questions.

Note: All assignments will eventually require more room for solutions, written (or typed) on your own paper. However, here I have provided spaces for your answers. Make sure you write your name on all pages scanned/submitted.

**Scan this page at the front of your work**, and compile it as ONE .pdf file.

Make sure to check that all work was saved and scanned legibly.

Save your file as: **A00xyLASTNAME.pdf**. (where “xy” is your first and middle initial)

Once completed, attach your file under “Assignment 00” on Canvas. Thank you!

**1) Which city and state are you in?**

West Palm Beach FL, Norfolk VA, and I travel some for work.

**2) What is your major?**

Pure Mathematics, Economics, and a minor in Computer Science.

**3) When and from which university did you take Discrete Math I ?**

I took “Introduction to Pure Mathematics” which is the math major version of the class at FSU. I took it back in 2010 - 2011 as a freshman before I had to dropout.

**4) Is there anything else that you would like me to know about you?**

I really love mathematics, and used to do it for fun, before I dropped out to work full-time.

I also work full-time as a Mobile Developer at Anthem Inc.
